Calculators:

PLEASE DO NOT PURCHASE A CALCULATOR THIS SUMMER - all students who attend Parkside are expected to have the Texas Instrument TI-15. It will be available to purchase through the school for \$16.00 (a considerably lower price than in stores). Information about the purchase of a calculator will come home in Thursday folders shortly after the opening of school.

Optional Supply:

Franklin or Webster spellchecker, small personal pencil sharpener

Supplies needed for Exploratory Classes:

Foreign Language: Two-pocket folder and 1 pack white OR colored construction paper

* Please label the following items with student's first and last name only: glue, scissors, colors, ruler, folders, notebooks, binders, and spellchecker. We will label all other materials by subject together as a class!

* No TRAPPERS (they do not fit inside lockers/desks well). Please make sure any BOOK BAGS that you plan on using fit inside the lockers. The book bags that are on wheels are generally too big. ☺
