## *Classroom Policies*

The following rules are always in effect in my classroom. It is my hope that you will use them throughout life.

### **RESPECT AND RESPONSIBILITY**

Below are specific ways you can show *Respect and Responsibility* in the classroom.

- ✓ Follow directions the first time they are given
- ✓ Be in the classroom, sitting in your assigned seat, when the bell rings
- ✓ Come to class with all necessary materials, pen/pencil, paper, text, etc.
- ✓ Do not have candy, food, or beverages without my permission
- ✓ Wait for recognition before speaking
- ✓ Do not leave your seat without permission or direction to do so
- ✓ Keep hands, feet, and objects to yourself
- ✓ Cover textbooks
- ✓ Do not use *inappropriate language*
- ✓ Keep seat and surrounding clean

Infraction of the rules has the following consequences:

First offense-	warning
Second offense-	detained after class
Third offense-	parent call*****

Any offense will reduce the point value of your Citizenship Extra Credit.

---

*I understand the rules and infraction consequences stated above. I realize repeated offenses may result in removal from class, suspension, and/or possible expulsion.*
